PLAYER STATEMENT

I'm a central midfielder who wants to dictate games. I've been the player my team turns to in difficult moments since my sophomore year. I'm hungry to develop — on the field and in the classroom — at a program that will challenge me every day. I want to play college soccer at a school where the standards are high, the coaching is serious, and the academics prepare me for life after football.

SCOUTING SUMMARY — FROM YOUR MENTOR

Two-way central midfielder with a high work rate, strong press resistance, and growing range of passing. Reads the game early and breaks pressure consistently. Tactically intelligent — most productive in a 4-3-3 as a progressive 8. Development priorities: weak-foot range and second-ball positioning.
